

WORKSHOP on Genome Assembly, Evaluation and Visualization

By

Bioinformatics Core

Complementary & Integrative Medicine Department

JABSOM, University of Hawaii

Presenters:

Dr. Youping Deng

Dr. Mark Menor

Dr. Vedbar Khadka

Friday February 15 @ 9:00 AM- 12:00 PM

JABSOM MEB, Computer Lab 107D

Covers:

- ♦ Linux Command line
- ♦ Raw Sequence Data & Quality Control
- ♦ Quality Filtering & Trimming
- ♦ Genome Assembly
- ♦ Assembly Evaluation
- ♦ Genome Annotation
- ♦ Genome Visualization & Comparison

Limited number of seats available

For reservation, please email:
