JOHN A BURNS SCHOOL OF MEDICINE, UNIVERSITY OF HAWAII AT MANOA

From an Idea to the Delivery of an Online Graduate Program: A Five Year Journey

This presentation will explore the growth, opportunities, challenges and lessons learned in establishing an online professional school program at the forefront of improving healthcare quality nationally and worldwide. The audience will be taken on a journey through aspects of administration, pedagogy, teaching, service and application, through applied scholarship of the Masters of Science in Healthcare Quality Program (MScHQ).

Kim Sears, R.N., Ph.D.
